

# ADVENTURES OF TREATMENT PLANT TED

## DEFEATING FALSE ALARM FREDDY

A CALM DAY UNTIL FALSE ALARM FREDDY STRIKES AGAIN!

**BRRRAAAPPPPP!!**

WHAT NOW FREDDY?!

I WON'T TELL YOU!

THIS ISN'T A GAME, FREDDY! WE PROTECT THE ENVIRONMENT AND HEALTH OF OUR COMMUNITY!

BUT I LOVE GAMES! IS IT FLUSH GORDON CLOGGING A PUMP WITH WIPES...

OR IS IT JUST A BIRD SITTING ON AN ANTENNA?

TED MAKES A PLAN

NUISANCE ALARMS DISRUPT OUR SCHEDULE, COST US OVERTIME AND REDUCE WORKER MORALE. I NEED AN ALARM SYSTEM I CAN TRUST!

INSTRULOGIC CAN HELP YOU IMPROVE OPERATIONS BY IMPLEMENTING STANDARDS BASED ALARMING (SBA) - A COMPREHENSIVE ALARM MANAGEMENT STRATEGY THAT MANAGES ALARMS AND THE WAY THEY ARE RECEIVED.

IMPLEMENTING SBA IN YOUR OPERATIONS WILL SIGNIFICANTLY REDUCE FALSE ALARMS.

TED TAKES ACTION!

WE CAN:

- 1) DEVELOP A CUSTOMIZED ALARM PHILOSOPHY BASED ON ANSI/ISA-18.2-2016
- 2) PRODUCE A DETAILED ALARM DESIGN
- 3) IMPLEMENT THE DESIGN
- 4) MONITOR AND ASSESS EFFECTIVENESS

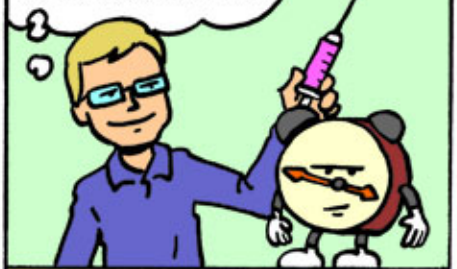

6 MONTHS LATER

AMAZING, TED! OVERTIME COSTS ARE DOWN AND PLANT MORALE HAS NEVER BEEN BETTER!

THANKS, INSTRULOGIC!

SINCE INSTRULOGIC HELPED ME DEVELOP THE TRUTH SERUM, FALSE ALARM FREDDY IS DONE PLAYING GAMES!

INSTRULOGIC CAN INJECT TRUTH INTO YOUR ALARM SYSTEM, TOO!
